**The open road. It stretches out ahead of you, beckoning you to another time, another place, destinations near and far. Life behind the wheel can be an adventure. It's also a necessity. Your car takes you to work. Your kids to school and the family to friends, so you can't afford to take the risk of a break down, a break-in or an accident. Quality never goes out of style.**

## Drive with Confidence

Having the right car insurance cover for your specific needs makes it easy to confidently go about your day and live your best life, that's exactly why Swan Insurance has the right product for you.

No matter the kind of car you have, we can give you the right cover, plus some exceptional benefits. Our Protect Car comprehensive cover offers the following benefits.

- Free towing (Mobile Number- 0955/0977 761101)
- Windscreen excess waiver
- Medical Expenses for you and your immediate family
- Funeral Expenses for you and your immediate family
- Excess 7.5% with minimum K500 on each claim
