Protect Engineering & Construction Insurance

Construction and Manufacturing are one of the vital pillars of a vibrant growing economy. Prudent risk management combined with a skilled labour force will no doubt propel your organisation to greater heights. We at Swan Insurance are proud to be part of a growing construction sector and have packaged the following risk policies for both construction and manufacturing industries to enable your business focus on its core function whilst we manage your risk portfolio.

We offer cover for the following risks

Construction and Engineering

- **Contractors All Risks**

This covers for any unforeseen or accidental loss or damage at the contract site from any cause other than those specifically excluded.

- **Electronic Equipment**

This covers for any unforeseen or accidental loss or damage to electronic equipment/computers.

- **Plant All Risks**

This covers for any unforeseen or accidental loss or damage to the plant and third-party liability for damage to third party property damage/or injury.

- **Erection All Risks**

This covers the risk of loss arising out of the erection and installation of machinery, plant and steel structures, including physical damage to the contract works, equipment and machinery, and liability for third-party bodily injury or property damage arising out of these operations.

- **Machinery Breakdown**

This provides cover for sudden, accidental and unforeseen physical loss or damage to machinery and plant arising from mechanical/electrical breakdown, whilst in operation, at rest, or during resisting or re-erection.

- **Machinery Breakdown – Loss of Profits**

This provides cover for loss of gross profit following loss or damage to machinery/equipment insured under the Machinery Breakdown policy.

- **Boiler and Pressure Vessel**

This provides cover against damage other than by fire to any boiler or pressure vessel and to other property of the insured/third party property/injury or death.

- **Deterioration of Stock**

This provides cover for accidental loss to stock in refrigeration units due to deterioration or contamination caused by change in temperature due to breakdown, failure of the electricity supply or leakage of refrigerant fumes.

- **Bonds and Guarantees**

- Bid bonds
- Performance bonds
- Advance payment bonds
- Retention bonds

For risks that are not included in this brochure please refer to our corporate brochure or talk to any of our friendly underwriters for tailor made risk proposals.
